Mattie,

My apologies for the brief rendition of my endorsement of the proposed changes of Parts 1611 and 1602 of the LSC regulations. Time does not presently permit a more exhaustive discussion.

Suffice it to say that Nebraska Legal Services endorses the changes in the two Sections as set forth in the NPRM (Notice of Proposed Rulemaking) for which comment is requested by Dec. 23, 2002. In particular NLS endorses the proposed changes regarding retainer agreements and group representation.

My thanks to all who worked on these proposed changes.
